OKLAHOMA'S NEW RULERS

A Settler Tells How a Score and Seven of Women.

Commissioner Stephenson of the Indians of Man to Own Government and Public Improvements Now When and Methods to Control Something About the Whites Who Have Them Treated and for Which Work the Women Will Hold the Reins.

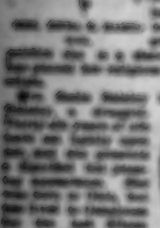
Oklahoma City, Okla., April 1.—(Special.)—The people of Oklahoma are nothing if not original, and the last thing to have an idea copied from their State is a constitution or even statutes and yet a glance at the laws that have been adopted or by the officials in the early days of the government will convince any student of events. When a little country like this State started a movement for a thing entirely new, whether it was right or wrong, good or bad, it was something different from what any other community had ever done before and the fact that it was the product of the people themselves, of such an abundance of individualism that it takes much pains to the community in which they live and a world wonder amount of learning among the legislators.

Perhaps in the name of the city should the act stand the record itself since the community—a city of the first class, which already claims there are 5,000 people, though the act of the Territorial Legislature, the census, legislature, and several years, the official head, whose name has been made to mean living, they prefer to be known to their friends as mayors. This is the experience of Hon. Frank Frantz, the first mayor of Oklahoma City, who was elected by the people of the Territory to the Legislature, the first session of the State, a man greatly loved, whose family stood at high representing the interests, from the Territorial Council, which consideration from the first State Senate to the Territorial Council, which was the first Senate of the Territory, whose great and broad sought into the present new state of the Territorial Council and then from the Council chamber to the Governor's chair, and then to the Governorship of Oklahoma, a position to which he has been elected by the unanimous vote of the people.

It is the same old story of men being elected to office on political issues which have nothing to do with the duties of the office they are sought for, and the people have to endure a term of four years of misrule and extravagance before they can get rid of the offender. Not so in Oklahoma. Here the people have the right to recall any official who does not perform his duties in the manner they desire, and the result is that the officials are very careful to do what they are elected to do. Another thing which has helped to make the Territorial Council of Oklahoma so popular with the people is the fact that it has been composed largely of women, and the women have shown that they are capable of handling the affairs of government as well as men, if not better.

Mrs. Frantz is the wife of the first mayor of Oklahoma City, and was elected to the Territorial Council from Oklahoma County in 1892. She was born in Kansas, but has lived in Oklahoma since 1889. She is a graduate of the Kansas State Normal School, and after graduating she taught school for several years. She was married to Mr. Frantz in 1892, and has been a resident of Oklahoma City ever since. She is a member of the Presbyterian Church, and is prominent in social circles. She has been a member of the Board of Education of Oklahoma City, and is a member of the Women's Christian Temperance Union. She has always been a strong advocate of woman suffrage, and has been a member of the Equal Suffrage Association of Oklahoma. She is a member of the Daughters of Liberty.

Mrs. Ellen Campbell Cubbison is a Democrat and a Methodist, and is a prominent member of the social set in Oklahoma City, and is a great favorite with the people. She has been a Commissioner of Education, and is a member of the Board of Education of Oklahoma City. She has a charming family of children, and has been a leader in social affairs for a number of years. She is a member of the Daughters of Liberty.



Mrs. Cubbison is the wife of Dr. Cubbison, a druggist. Dr. Cubbison is a member of the Board of Education of Oklahoma City, and is a prominent member of the Democratic party. She has been a member of the Board of Education of Oklahoma City, and is a member of the Women's Christian Temperance Union. She has always been a strong advocate of woman suffrage, and has been a member of the Equal Suffrage Association of Oklahoma. She is a member of the Daughters of Liberty.

Mrs. Lucia Jackson is the wife of Dr. Jackson, a druggist. Dr. Jackson is a member of the Board of Education of Oklahoma City, and is a prominent member of the Democratic party. She has been a member of the Board of Education of Oklahoma City, and is a member of the Women's Christian Temperance Union. [illegible] of Gladstone, whose election has given [illegible] announcement that it would have assisted to a victory but they will overnight. It is an experiment that will be looked forward to with interest. The Senate fully appreciates their positions and no doubt all appears will be duly considered in their action by cards. They will have the appointment of a Corporation Commissioner and the Governor, Secretary of state to the Senate which will be learned, but otherwise the body personally is one more of the representative kind and the appointments otherwise.

THE ONLY GUARANTEED CURE FOR WOMEN.

The only medicine for women's peculiar ailments, sold by druggists, under a positive guarantee, from the manufacturers, that it will give satisfaction in every case, or money will be refunded, is Dr. Pierce's Favorite Prescription. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years. Did this medicine not possess extraordinary curative properties this offer could not be made by a house of well-known responsibility and integrity.

The Outgrowth of a Vast Experience.

The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in wisely adapting and thoroughly testing remedies for the cure of women's peculiar maladies.

A Home To Women.

Dr. Pierce's Favorite Prescription is the outgrowth, or result, of the great and valuable experience, in the treatment of thousands of sufferers, obtained from patients and from physicians who have used it in the cases requiring its aid. In the more aggravated and stubborn cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not claimed to be a "cure-all," but as a most perfect Specific for women's peculiar diseases.

A Powerful Tonic.

As a powerful, but rejuvenating tonic, it imparts strength to the whole system, and to the uterine or womb and its appendages in particular. For anæmia, or lack of blood, leucorrhœa, excessive flowing, painful menstruation, weak stomach, indigestion, bloating and accumulation of gas.

A Soothing Nervine.

As a soothing and strengthening nervine, "Favorite Prescription" is unequaled and invaluable in allaying and relieving nervous excitability, nervous prostration, hysteria, spasms, and other distressing symptoms commonly attendant upon functional and organic disease of the womb. It controls nervous and chronic spasms, and relieves mental anxiety and depression.

A Woman's Remedy.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to women's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system.

In pregnancy, "Favorite Prescription" is a "mother's cordial," relieving sickness, weakness of stomach and other distressing symptoms common to that condition. It can be used at any period during the latter months of gestation, to the purpose of lessening the pains and perils of parturition.

Saves the Worry Cure.

"Favorite Prescription" is a positive cure for the most complicated and distressing cases of prolapsus or falling of the womb, leucorrhœa, excessive flowing, painful menstruation, unnatural suppression, irregularity, prostration, nervousness, hysteria, spinal irritation and diseases of the ovaries, accompanied with "internal heat."

For the Kidneys.

"Favorite Prescription" when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small sanative doses of Dr. Pierce's Purgative Pellets, cures Liver, Kidney and Bladder diseases. Their combined use gets rid of the worst blood taints, and abolishes poisonous and scrofulous tumors from the system.

The following words, in praise of Dr. Pierce's Favorite Prescription as a remedy for those delicate diseases and weaknesses peculiar to women, must be of interest to every sufferer from such maladies. They are fair samples of the spontaneous expressions with which thousands give vent to their sense of gratitude for the inestimable boon of health which has been restored to them by the use of this world-famed remedy.

TREATING THE WRONG DISEASE.

Many times women call on their family physicians, suffering, as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous exhaustion or prostration, another with pain here or there, and in this way they all present alike to themselves and their easy-going and indifferent, or over-busy doctor, separate and distinct diseases, for which he proceeds to prescribe his pills and potions, assuming them to be such, when, in reality, they are all only symptoms caused by some womb disorder. The physician, ignorant of the cause of suffering, encourages the patient to practice until large bills are made. The suffering patient gets no better, but probably worse by reason of the delay, wrong treatment and consequent complications. A proper medicine, like Dr. Pierce's Favorite Prescription, directed to the cause would have entirely removed the disease, thereby dispelling all those distressing symptoms, and instituting comfort instead of prolonged misery.
